* Your Coverage B, C, and D limits are maintained as a percentage of your Coverage A limit. If your Coverage A limit changes, your Coverage B, C, and D limits will be adjusted accordingly.

This is not a policy document and does not change any provisions of your policy. There are exclusions, limitations, and conditions that apply to each coverage. If there is any conflict between your policy and this information, the provisions of your policy will apply.

What does your policy typically cover?

Your policy helps protect you from a number of things that can go wrong. Here are some of the most common:

Weather

Hail, lightning, and other weather events can damage your roof, windows, siding, and more – so can falling branches and other debris.

Fire

Whether it's smoke damage from a small kitchen fire or extensive damage from a large, accidental fire, your policy can help you repair or rebuild your property.

Theft or vandalism

Your policy typically covers theft or vandalism of your property. See your policy for special limits on things such as collectibles, jewelry, and money.

**Take steps to protect your property and call us as soon as damage occurs.
For more tips, go to [MyTravelers.com/prepare-prevent](https://www.travelers.com/prepare-prevent).**

What isn't covered?

Your policy covers you for many types of loss or damage, but it can't protect you from everything. Some examples:

Floods are not covered

Your policy does not cover flood damage. Please review the Important Information About Flood Damage page for more details and resources.

Earthquake coverage is optional

Damage from earthquakes is not covered, unless you specifically purchase coverage for it. Check under the Optional Coverages and Packages section of your Policy Declarations. If you do not see this coverage listed and think you need it, please contact your agent or Travelers representative.

It's not for home maintenance

Repairs due to wear and tear or lack of upkeep are not typically covered under your policy.

When circumstances change, we need to know

Review your Policy Declarations to be sure the information we have is accurate. If your property, circumstances, or needs change, let us know immediately to maintain the coverage you need. Not informing us may result in a denied claim.

Contact your agent or Travelers representative if:

- Your mailing address changes
- Someone named on the policy moves out
- Someone named on the policy passes away
- Someone moved onto your property
- You rent, sell, temporarily relocate, vacate or buy a new home
- Business is conducted on your property
- You renovate or build an addition
- You replace your roof

This is not a policy document and does not change any provisions of your policy. There are exclusions, limitations, and conditions that apply to each coverage. If there is any conflict between your policy and this information, the provisions of your policy will apply.

- a. We cover:
 - (1) The breakage of glass or safety glazing material which is part of a covered building, storm door or storm window; and
 - (2) The direct physical loss to covered property caused solely by the pieces, fragments or splinters of broken glass or safety glazing material which is part of a building, storm door or storm window.
- b. This coverage does not include loss:

- (1) To covered property which results because the glass or safety glazing material has been broken, except as provided in **10.a.(2)**; or
- (2) On the "residence premises" if the dwelling has been "vacant" for more than 60 consecutive days immediately before the loss.
- c. This coverage does not increase the limit of liability that applies to the damaged property.

11. Landlord's Furnishings. We will pay up to the limit shown in the Declarations for this Property - Additional Coverage for your appliances, carpeting and other household furnishings, in each "apartment" on the "residence premises" rented or held for rental to others by an "insured", for loss caused by a Peril Insured Against in Property Coverage C, other than Theft.

This limit is the most we will pay in any one loss regardless of the number of appliances, carpeting or other household furnishings involved in the loss.

This coverage does not increase the limit of liability that applies to the damaged covered property.

12. Ordinance or Law.

- a. You may use up to the percentage of Property Coverage A shown in the Declarations for this Property - Additional Coverage for the increased costs you incur due to the enforcement of any ordinance or law which requires or regulates:
 - (1) The construction, demolition, remodeling, renovation or repair of that part of a covered building or other structure damaged by a Peril Insured Against;
 - (2) The demolition and reconstruction of the undamaged part of a covered building or other structure, when that building or other structure must be totally demolished because of damage by a Peril Insured Against to another part of that covered building or other structure; or
 - (3) The remodeling, removal or replacement of the portion of the undamaged part of a covered building or other structure necessary to complete the remodeling, repair or replacement of that part of the covered building or other structure damaged by a Peril Insured Against.

- b. You may use all or part of this ordinance or law coverage to pay for the increased costs you incur to remove debris resulting from the construction, demolition, remodeling, renovation, repair or replacement of property as stated in **12.a.**
- c. We do not cover:
 - (1) Stigma damage or any actual or perceived reduction or diminution in value to any covered building or other structure due to the requirements of any ordinance or law; or
 - (2) The costs to comply with any ordinance or law which requires an "insured" or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants" in or on any covered building or other structure.
- d. The most we will pay for any increased costs to comply with any ordinance or law that becomes effective after the date of loss is \$5,000.

13. Grave Markers. We will pay up to \$5,000 for grave markers, including mausoleums, on or away from the "residence premises" for loss caused by a Peril Insured Against under Property Coverage C.

This coverage does not increase the limits of liability that apply to the damaged covered property.

14. Personal Records and Data Replacement. We will pay up to the limit shown in the Declarations for this Property - Additional Coverage to research, replace or restore personal records or data lost as a result of a Peril Insured Against. This limit includes replacing or restoring information from the lost or damaged material, including blank recording, storage media and prerecorded computer programs available on the retail market.

We will pay only when the records or data are replaced or recreated.

15. Inflation Coverage. We may adjust the limits of liability for Property Coverage A at the beginning of each successive policy term to reflect estimated increases in rebuilding costs for your dwelling. We may also adjust the limits of liability for Property Coverages B, C and D. The rules then in use by us will determine the new amounts for these coverages.

Payment of the required premium when due for the successive policy term will be sufficient to indicate your acceptance of the adjusted increased limits.

We will also adjust the limits of liability at the time of a loss by the same percentage pro-rated from the effective date of the policy period or the effective date of change if you have requested a change to the limit of liability for Property Coverage A during the policy period.

16. Limited "Fungi" or Other Microbes Remediation.

a. If a loss covered under the Property Coverage Section results in "fungi" or other microbes, we will pay up to the limit shown in the Declarations for this Property - Additional Coverage for:

- (1) Remediation of the "fungi" or other microbes. This includes payment for the reasonable and necessary cost to:
 - (a) Remove the "fungi" or other microbes from covered property or to repair, restore or replace that property; and
 - (b) Tear out and replace any part of the building as needed to gain access to the "fungi" or other microbes;
- (2) Any reasonable and necessary:
 - (a) Increase in living expense you incur; or
 - (b) Loss of fair rental value; as covered under Property Coverage D – Loss of Use, if the "fungi" or other microbes makes the "residence premises" not fit to live in; and
- (3) Any reasonable and necessary testing or monitoring of air or property to confirm the absence, presence or level of the "fungi" or other microbes, whether performed prior to, during or after removal, repair, restoration or replacement.

b. We will pay under this Property - Additional Coverage only if:

- (1) The covered loss occurs during the policy period;
- (2) All reasonable means were used to save and preserve the property at the time of and after the covered loss; and
- (3) We receive prompt notice of the covered cause of loss that is alleged to have resulted in "fungi" or other microbes.

c. The most we will pay under this Property - Additional Coverage is the limit of liability shown in the Declarations for Limited "Fungi" or Other Microbes Remediation. This is the most we will pay for the total of all loss or costs during the policy period regardless of the:

- (1) Number of locations or items of property insured under this policy; or
- (2) Number of losses or claims made.

Any amount payable under Property Coverage D as described in **16.a.(2)** of this Property – Additional Coverage is included within the limit of liability shown in the Declarations for Limited "Fungi" or Other Microbes Remediation.

d. If there is covered loss or damage to covered property, not caused, in whole or in part, by "fungi" or other microbes, loss payment will not be limited by the terms of this Property – Additional Coverage, except to the extent that "fungi" or other microbes cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Property – Additional Coverage.

e. This coverage does not increase the limit of liability that applies to:

- (1) The damaged property; or
- (2) Property Coverage D – Loss of Use.

All other provisions of this policy apply to Property – Additional Coverages.
