## Your Claim Settlement

Hello TERRY CONNELLY PHYLLIS CONNELLY ,

This communication is to provide the breakdown of your settlement. Payment is being made for the actual cash value of damaged or destroyed property, subject to the limit of liability on your policy.

Depreciation has been deducted from the cost of the repair or replacement to your property to determine the actual cash value.

The following calculations summarize the settlement:

	Dwelling	Personal Property	Other Coverage
Cost of repair or replacement	\$ 11,387.15	\$	\$ 1,255.61
Less recoverable depreciation	\$ 450.16	\$	\$ 234.21
Less non-recoverable depreciation	\$	\$	\$
Actual cash value	\$ 10,936.99	\$	\$ 1,021.40
Deductible	\$ 6,405.00	\$	\$
Net claim after deductible	\$	\$	\$
Prior payments	\$	\$	\$

### Replacement Cost Provision:

We will pay only the actual cash value of the damaged building structure(s) until repair or replacement is completed. Repair or replacement must be completed within 365 days after loss unless you request in writing that this time limit be extended for an additional 180 days. Upon completion of repairs or replacement, we will pay the additional amount claimed under replacement cost coverage, but our payment will not exceed the smallest of the following.

- (i) The limit of liability under this policy applicable to the damaged or destroyed building structure(s);
- (ii) The cost to repair or replace that part of the building structure(s) damaged, with material of like kind and quality and for the same use and occupancy on the same premises, or
- (iii) The amount actually and necessarily spent to repair or replace the damaged building structure(s).
